RATIONALE BEHIND PROJECT.

This project was birth out as a result of the need to provide a place for our cherish customers to have access to our irresistible products and services. We therefore saw it prudent to come with a website: a website is set of pages(documents) hosted on a world wide web so as to allow people all over the world to gain access to them. Hence this project.

DESIGN:

METHODOLOGY: (PROTOTYPING):

With this methodology, we hope to use the agile approach. That's versions of the system (the website ) would be developed and built upon as time goes on.
